

TRPB DIGITAL TATTOOS – Friday, July 15th North Dakota Horse Park

In effect since January 2020, a Thoroughbred making its first lifetime start requires a TRPB Digital Tattoo.

Sign up for Tattooing at the North Dakota Horse Park Horse ID office or Racing Office, and list the horse's name, barn number, your name and cell phone number. You need to sign up any horse that is planning to make their first start at a "recognized track.

All foals of 2017 thru 2020 have microchip numbers on The Jockey Club foal registration papers which the TRPB Technician will validate prior to confirming the markings & documenting through digital photos. Some older horses may also have a microchip listed on their papers.

The TRPB Technician will scan the microchip to access the digital copy of the foal certificate, validate the information, verify the markings, color & gender, and take 10 -14 photos of the horse to digitally document all equine attributes.

Bandages, poultice, blankets must be off the horse and the horse must be named by the time the TRPB Technician is present to digitally tattoo each horse. For foals of 2017 and older, the Registration Papers must accompany the horse. Foals of 2018 on have electronic certificates.

The fee is \$90.00 for the Digital Tattoo and for Thoroughbreds, MUST be paid for prior to the TRPB Technician doing the work. You can pay with a check, cash, or credit card.

The TRPB Technician for North Dakota Horse Park is Vic Hanson 605.222.9698. Vic will be @ North Dakota Horse Park on one day only, July 15th, 2022.
